

Children's Formation 2024-2025

Sunday School starts on September 22

Catechesis of the Good Shepherd (Pre-K (age 4) & Kindergarten): This beautiful Montessori-based program focuses on the three truths about Jesus - Jesus knows you, loves you and is always with you. We begin to learn about the seasons and celebrations of the church year through stories, lessons, and crafts.

Godly Play (1st through 4th grades): Godly Play is centered around imaginative telling of sacred stories, with follow-up interaction and activities allowing the kids to respond and learn from them. Our first grade curriculum also includes a seven-week Study of the Holy Eucharist program, led by parish ministry volunteers.

Faith in Action (5th & 6th grades): Pre-teens serve, learn, and grow together by working with guest mentors on prayer, wellness, service, care for God's creation, and more. We explore core faith stories and their relevance to our lives, and work together to pack food for FACETS. At year end, we host a Market Day to support our parish ministry partner Five Talents.

Children's Chapel (ages 3 through 2nd grade): During the program year we gather with our younger parishioners for part of the Sunday 10 am service to read a book together and worship using simple prayers and songs. *Begins September 15.*

Second Saturday Church: We gather once a month in the Chapel for an informal Eucharist followed by dinner, fellowship and fun for all ages. Our service is accompanied by lively music (guitar, banjo, violin). Prayers, sermons and readings are shorter and often have an interactive component. Children are invited to serve as ushers, greeters or acolytes. Families, couples, singles, kids - all are welcome! *Begins October 12 at 5 pm.*
