

2024 Annual Report

Church of the Holy Comforter 543 Beulah Road, NE, Vienna, VA 22180

Recently I was conversing with our Outreach Ministry Co-chairs, Jon Collom and Zara Harris. We were reflecting on the giving that Holy Comforter does in so many ways as an entire organization or "institution." Together, through our various ministries, we annually contribute to the local and regional community over \$225,000 for programs for people in need. These efforts are collective through outreach grants and special donations (\$43,000); our support of churches in our diocese in urban and rural communities (\$60,000), Episcopal Church Women grants (through Pennywise) (\$41,000), Refugee Ministry support of families (\$45,000) and our Clergy Discretionary Funds (\$23,000). In addition, our Christmas Giving Table and crisis response offerings make up even more.

We rarely perceive the total of what we give to care for those in need but it is a tremendous outpouring of generosity because of who we are at Holy Comforter. We are a congregation that gives generously because of the generous way God loves us in Christ. We are called to use what we have to serve and we do that. Thank you for this response to the Gospel, the good news of Christ!

Sometimes we struggle, however, in our giving to the nuts and bolts of our community, where the need isn't as clear (HVAC systems are only felt when they aren't working, roofs too!). In general, we haven't been raising quite enough funds to fully support our staff salaries and the maintenance of our property. While our pledging has been increasing, it is still a vital way we care for those in need by supporting our congregation's core needs. Please give prayerful consideration to the impact of your pledge along with the impact of giving to a particular need.

This past year had some important results that came through much important shared work. We celebrated and dedicated our Joan and Victor Brown Solar Array! This represented lots of continued effort by many to see it through and it was a privilege to support our solar team in this process. As we move into the spring and summer, we will be producing 110% of our electrical needs at Holy Comforter, essentially creating an endowment for many years to come.

Also, I want to give particular thanks for the work of our Meaningful Engagement Team in creating a dynamic way to support our ministries in their continued vitality. This short survey allows us to quickly identify who is ready to engage in ministry in a new way. Please keep using it as a means to serve! We will draw on the insights you share with us for ministry.

Both of these developments represent substantial efforts by many who gave of their time and expertise—thank you! May our joy grow daily because of our encounter with the One who loved us first!

With gratitude for the privilege of being your Rector,

The Rev. Jon Strand, Rector

- Introduction to the Enneagram, an ancient personality typing system, and how it helps us find ways to move closer to each other and to God.

Advent Quiet Morning was led by Dr. Kathy Staudt and co-hosted with CONOVA (Contemplative Outreach of Northern VA). The approach, using poetry, music, and art, was well received.

- Collected 600 units of blood to date, enough to save 1,800 lives!
- We now have "regulars" who donate at every blood drive. With this group, the Community Center is like "Cheers," where everyone knows your name.
- Thank you to the wonderful volunteers who so warmly greet our donors and Red Cross staff, and give of their precious time!

Aspirations...

- Increasing avg. units per drive from 34 to 40.
- Increase the donor list within Holy Comforter and the overall community.
- Add new volunteers to welcome donors. Look for the "Volunteer Here" link in **The Comfortable Word** blood drive information.

Building & Grounds

CELEBRATIONS!

- Completed our solar energy project!! We reduced our carbon footprint and lowered our energy costs, making great strides in our responsibility to help heal and protect this fragile Earth, our island home.
- New signage around the campus: Visitor and Handicap parking signs, wayfinding signs in the Narthex and a plaque for the Mary & Martha Ministry Center, with beautiful wooden frames.
- Signed a maintenance contract for our boiler and continued to make solid progress in resolving our significant heating ventilation, and air conditioning (HVAC) systems' issues throughout the building.
- Removed 3.5 tons of trash and debris from our Seven Acre Wood, with help from two dozen parishioners from youths to senior saints.

Solar Project

ASPIRATIONS

To continue to improve the physical plant of our beloved church, in several lines of effort: launch the Third Floor Renovation project including Music Ministry classroom and office space and much-needed bathroom renovations; continue to conserve energy and improve control over heating and air conditioning; and continue work on our "Seven Acre Wood" by removing invasive species, trash and debris, and expanding its trail network.

Children's Formation & Family Ministries

CELEBRATIONS!

- **Learning.** Sixty-four children registered for Sunday School for grades Pre-K to 6th grade, up 15% from last year. Parent offerings included Sunday forums, a new Open Circles group for young families, and an expanded faith-based library for children and caregivers.
- **Worship.** Our intergenerational 2nd Saturday Church continues to grow, offering child-focused yet inclusive music, sermon, and prayers. Attendance at our Christmas Eve family services has also expanded (343 at the 11 a.m. service; 508 at the 4 p.m. service).
- **Community.** We held four all-parish events in addition to 2nd Saturday dinners and fellowship. Our kids hunted for 1,000 eggs on Easter morning and enjoyed crafts and activities at two parish picnics. We offered a full program of children's activities at our all-parish retreat. Our new parent lounge provides a welcoming space for meetings, relaxation, and community.
- **Service.** We assisted with monthly FACETS meal preparation, raised funds for Five Talents, collected supplies for homeless animals, donated baby supplies for moms in need, ran a school supply drive for Britepaths, and sponsored a family for Christmas through Fairfax County Social Services.

FACETS Meal Preparation

ASPIRATIONS

We continue to explore ways to support children and families and integrate them more fully into our shared life and ministries. We are working on additional worship aids for Sunday morning church and Children's Chapel and improvements to our Godly Play classrooms and story-telling materials. We need additional volunteers, particularly to assist at events, lead Children's Chapel, or serve as substitute or regular Sunday School teachers.

Creation Care

CELEBRATIONS!

- Provided habitat for wildlife, by clearing invasive plants and growing native plants.
- Held two educational events: Earth Sunday and St. Francis Day. Both included native plant giveaways.
- Improved the campus, by creating a meadow, and beautifying the space next to the top parking lot.
- Developed paths and clearings in the forest to make it a place for prayer and meditation.

Earth Sunday

Creation Care Workday

ASPIRATIONS

To create an ADA compliant path that goes just far enough into the forest, that all parishioners will be able to enjoy God's natural world, surrounded by our beautiful trees. For this we need a lot of congregational support.

ECW (Episcopal Church Women)

CELEBRATIONS!

- Arranged a day trip to tour many unique chapels within the National Cathedral and also organized a retreat at Shrine Mont for a weekend of peace, meditation, and sharing.
- Held a thank-you luncheon in the Community Hall on April 7 for the many individuals who selflessly volunteer at the many functions of outreach hosted by the ECW throughout the year.
- Continued to provide the supplies and equipment for the weekly Coffee Hour at church, hosted the annual Christmas Giving Table where parishioners provided an incredible number of gifts to a variety of charities, sent "Holy Comfort" boxes to young adults at college, at new jobs, or serving in the military, welcomed newcomers, provided prayer books to new confirmands, partnered the UTO (United Thank Offering) drive, helped support refugees, knitted prayer shawls, and so much more.
- Continued commitment to host the funeral receptions held at the church, showing our deep respect for the deceased and love for the families as they go through the most difficult of times.

ECW Tour of National Cathedral

ASPIRATIONS

The ECW is committed to the thoughtful distribution of funds provided by the incredible volunteers who run Pennywise Thrift Shop. These funds help the church in their many efforts as well as support our community through the many charities we help fund to assist those in need. We hope to expand our volunteer base and leadership on the ECW Board.

ECW Luncheon

Endowment

Celebrations...

- Endowment has continued to grow and balances are up 9% in total!
- Contributed \$1800 towards books for college for graduating seniors.
- Held a successful Bishop Denig Society reception with the 1st Saturday Social team, and welcomed two new Bishop Denig Society members.

Aspirations...

- Continued growth of the Endowment fund principal, both through appreciation and new donations.
- Continued impact of the distributions towards the needs of the church.

FACETS

CELEBRATIONS!

- On the second Sunday of each month, volunteers of all ages worked side-by-side, typically making about 150 hot meals.
- Youth delivery volunteers collected donated scarves, gloves, and coats, and gave them to grateful hot meals recipients.
- Each month, the Faith in Action class faithfully made peanut butter and jelly sandwiches to supplement hot meals.
- Benefitted greatly from the hard work of many long-standing volunteers, as well as new volunteers, eager to help.

ASPIRATIONS

Predicting the number of hot meals needed on a given night can be a challenge, particularly when hypothermia shelters are open. We hope to fine tune the ability to provide enough hot meals without ending up with excess. FACETS' current slate of delivery volunteers are terrific, but it would be great to have more adult delivery volunteers to fill in when others aren't available.

Holy Comforter Preschool & Kindergarten

CELEBRATIONS!

- Educated approximately 92 children.
- For the third year in a row, selected as Best of Vienna for Non-Profit Organizations, and qualified for Vienna Business Hall of Fame.
- Through the generous gift from the family of Mrs. Vivienne Smith, new doors were purchased to assist in the security and safety of our staff and students. This gift was an immeasurable statement to the legacy of Mrs. Smith's devotion to the education of children throughout her lifetime and HCEP&K is grateful for her family's generosity.
- Our Preschool and Church community gathered together for HCEP&K's annual Silent and Live Auction to raise funds to continue to fund HCEP&K's growth and dedication to educating the youth of tomorrow.

ASPIRATIONS

The summer of 2024 brought a change in leadership. We give thanks to Linda Meyers who served as Director for six years and worked tirelessly and gave so much of herself to our school. We were so blessed and benefitted greatly from her leadership, passion, and dedication to our students, families and staff. Linda resigned as Director to follow her heart and return to the classroom to teach kindergarten at HCEP&K. December 2024 brought news that a new director had been found, and we are looking forward to new paths in 2025!

CELEBRATIONS!

In November we invited parishioners on a journey to identify our vital gifts and learn how they align with Holy Comforter's ministries. Our goal was to understand more about what brings us joy and a sense of purpose so we can serve God, our parish, and our community, as Jesus calls us to do.

The **Meaningful Engagement** survey was a quick way to learn what serving opportunities are the best match for each parishioner and also a way to find the right people for our diverse and plentiful ministry positions.

By the end of 2024 almost 200 parishioners had taken the **Meaningful Engagement** survey and a number of them reached out to find new ministry opportunities, based on the results of the survey.

ASPIRATIONS

- Partner with ministry leaders to ensure our ministries are fully staffed.
- Institutionalize the **Meaningful Engagement** process by offering the survey two times a year so everyone has a chance to reassess their ministry commitments and consider new opportunities.
- Revise ministries list and volunteer positions as parish needs change.

Outreach

Celebrations...

- Distributed \$39,000 of the parish Outreach budget to 17 charities, both local and international.
- Coordinated a very successful Mission Sunday on September 29.
- Supported the monthly FACETS meal program.
- Liaised with the Refugee Ministry and celebrated their success.

Aspirations...

We serve as the umbrella organization in the parish for Outreach. We aim to communicate and celebrate outreach performed by individuals and groups within our parish as they reach out beyond to love and serve Christ in the world. We need new members to liaise with one of these charities: The Lamb Center, WGB, BRAWS, AFEDJ, and the Crop Walk.

Newcomers, Growth, and Inclusion Committee

CELEBRATIONS!

- Hosted several coffee hours, which proved a great way of cementing connections with newcomers.
- Held photo sessions over the summer months to increase the number of photos in the online directory, ensuring parishioners can more easily identify each other and to encourage more robust use of the online directory.
- A Newcomers Brunch was held in October, and was a great success, with a total of 26 newcomers attending—twice as many as in 2023. Newcomers shared their experiences of joining Holy Comforter and resoundingly found us to be a welcoming and friendly congregation.

- Committed to staffing the receiving line after each church service to ensure that newcomers are greeted, provided a welcome bag, and can ask any questions about activities or ministries.

ASPIRATIONS

- Initiate additional outreach to newcomers following our initial welcome, to ensure they have the information they need to become fully engaged in our community.
- Improve integration with other welcoming ministries, such as Greeters and Ushers.
- Revise spreadsheet to more efficiently capture newcomer information while maintaining integration with the church website and database.

Music Ministry

CELEBRATIONS!

- Chorister Program added enthusiastic new singers!
- Concert Series continues to host high-quality concerts that are well-attended by parishioners and an increasing number of visitors.
- We have full funding and a signed contract for the acquisition of a small pipe organ to be installed in St. Mary's Chapel this summer, coming to us from Ireland!

ASPIRATIONS

We continue to eagerly anticipate the renovation of the third floor of McGill Hall. We are in the process of forming a Music Ministry Guild to enable interested persons to get involved in new ways to support and grow the ministry. We plan to hold music workshops to encourage and develop singing within the congregation.

Pennywise Thrift Shop

CELEBRATIONS!

- Consistent increase of revenue allowing Episcopal Church Women (ECW) to increase contributions the local, national and international charities.
- Provided opportunities for volunteers to use their time and talents to further the success of Pennywise.
- Created an atmosphere in which all volunteers feel they are the most important part of a loving and caring community.
- Created a welcoming atmosphere in which customers feel they are part of the Pennywise family.

ASPIRATIONS

Our hope is to increase our volunteer base. Since its inception, over 60 years ago, Pennywise's success has been solely dependent on volunteers from within the parish community, as well as outside of the parish, whether interacting with customers at checkout, sorting donations, pricing donations, working with our consignment operation, or providing help behind the scenes with general shop maintenance, computer hardware and software, etc.

Pennywise Volunteers

Prayer Shawl Ministry

Part of the ECW (Episcopal Church Women), members knit or crochet shawls and lap blankets for parishioners or friends, hats for chemo patients or newborns, and hats and scarves for winter hypothermia center guests or other community groups. If you know someone who would like a prayer shawl, lap robe, or mini shawl, please let us know.

Celebrations...

- 11 prayer shawls
- 60 pocket prayer shawls for students and young members of the military who are away from their families
- Several hats and scarves for the hypothermia shelter and for other community groups

Aspirations...

We welcome anyone who likes to knit or crochet, either in a group meeting once a month or alone. We have yarn and patterns. Contact the Church Office or Linda Bailey-Becht at lbaileybecht@gmail.com.

Refugee Ministry

Celebrations...

- 23 immigrants (12 adults and 11 children) have been assisted in starting a new life in Fairfax County. They have become our friends and we rejoice to have them in our lives.
- 2 families that arrived from Afghanistan in 2021 are now financially independent; the others are on their way there, with at least one person in each family working a part-time or full-time job.
- All the school-aged children are doing well in local schools; toddlers and baby are thriving.

Aspirations...

We seek to assist these families to live in economic security and physical safety as they build futures for themselves after fleeing their homelands. What that assistance will look like in 2025 will depend on factors that are currently unknown. We pray to stay vigilant and open to God's guidance as the year progresses. While the team's 24 dedicated members rejoice in what, with God's help, we have accomplished over the past three years, we welcome with open arms others who want to help.

Senior Saints

Celebrations...

- We celebrate another year of fellowship and support as a group which still has much, regardless of age, to give as members of Holy Comforter.
- Monthly meetings continue to stimulate our interests and promote our learning together.
- Sponsor a Medical Equipment Lending Closet for those with physical limitations who need equipment for daily life or medical recovery.
- Continue to support the church community as volunteers in many ministries.

Aspirations...

We will continue to need the support of clergy and the broader community at Holy Comforter as we provide for a select community which is still able to participate in a broad range of activities but also has special needs of those who are considered "senior." We hope that our membership continues to grow so that we can expand our friendships. We appreciate being considered full participants in the mission of Holy Comforter.

VBS (Vacation Bible School)

CELEBRATIONS!

- Celebrated our 13th year of Hogwarts Vacation Bible School with close to 200 children and teen volunteers participating. Curriculum features Christian elements within the Harry Potter series.
- Welcomed and were so appreciative of the unprecedented number of "Senior Saints" who supported the ministry as professors, in administrative capacities, in the kitchen, and in various areas of material prep.

ASPIRATIONS

This year Hogwarts Vacation Bible School is scheduled for June 23–27. Setup will occur June 16–20 with a special Diagon Alley VBS Preview after the 10:00 a.m. Sunday, April 27 service. All are welcome to participate starting at age 5 through adults. Registration is now open. To learn more and/or to volunteer please visit bit.ly/HoCoVBS2025 or contact Linda Lee Malone at vbs@holycmfoter.com.

Youth Ministries

CELEBRATIONS!

- **Confirm Not Conform (CNC).** Our CNC program continues to grow, with 14 students exploring their faith journey, including two new members who joined our church through the class. This program encourages high schoolers to engage with different religions, ministries, and personal reflections on faith.
- **Mission Trip.** For the third year post-COVID, our youth embarked on a transformative mission trip, serving those in need and strengthening their connection to faith through hands-on service. Fundraising efforts and community support made this mission possible.
- **Shrine Mont Retreat.** A highlight of the year, our youth enjoyed a faith-centered getaway with worship in nature, hiking, square dancing, and fellowship. This retreat continues to be a powerful opportunity for reflection, bonding, and spiritual renewal.
- **FACETS & Local Outreach.** Increased participation in our FACETS program and local service initiatives allowed youth and families to give back through clothing drives, food donations, and volunteer work—making service accessible to those with busy school and sports schedules.

ASPIRATIONS

We hope to expand outreach; reignite more youth group events; encourage more youth to join immersive faith retreats; continue to foster a thriving acolyte, lector, and eucharistic minister programs; and develop a social media presence to share activities, encourage participation, and reach more youth in our community.
